San Sac Group acquires BNS Miljø AS and BNS Container AB and strengthens the position as a leading supplier of equipment for waste management.

San Sac Group acquires BNS Miljø AS in Norway and BNS Container AB in Sweden. BNS Miljø AS is the leading supplier of containers for waste management in Norway. BNS Container AB is active within containers for waste management and contract work on the Swedish market.

Fredrik Jaginder, CEO of San Sac Group, comments: “We are market leaders in the container business on the Swedish market via our group company ILAB Container AB and we have the ambition to strengthen our business in the other Scandinavian countries. With this acquisition, we will expand our product portfolio to include products for contracting, which is a new market segment for us. The combined competences and product offering from ILAB and BNS within the waste segment enables us to even better meet the future demands from our customers.”

“Being a part of a larger international organization with experience and competence in a similar product offering, creates new opportunities and enhances even further the solutions and service we can provide our customers”, says Lars Christian Steen, Managing Director at BNS Miljø AS.

About San Sac Group:

San Sac Group is the leading one-stop-shop of waste sorting, containment and compaction products in Scandinavia, and the world leading manufacturer of vertical balers. The group, majority-owned by Accent Equity 2012, was formed through a merger of San Sac, its sister companies and EnviroPac and the subsequent acquisition of Orwak. The group has expanded its international reach by starting up the subsidiary Orwak North America and by acquiring Easi Recycling in the UK, ATS & Service Link in Sweden, Proshop in Russia and Orca Group in France. In total, after the acquisition, San Sac Group will have approximately 500 employees and a combined turnover of 170 M EUR. www.sansacgroup.com
